

## UPDATE – April 3, 2009

- Two lawsuits have been filed against PACT. These will be posted to the website later this afternoon.
- The PACT Board Committee is working to schedule a second meeting in order to gain a consensus on the necessary legislative changes to be considered this legislative session. No legislation recommended by the Committee has been introduced as of this date.
- Discussions with members of the Legislature, Governor's Office, RSA, and the higher education institutions continue to be held.
- Progress is being made on a successful resolution to PACT.
